Dev Deepawali 2026

TUESDAY, 24 NOVEMBER · KARTIK PURNIMA

Join us on a magical boat ride as over a million diyas light up the ghats of Varanasi, celebrating the divine descent of the gods on Kartik Purnima. Witness grand processions, floating lamps, and the spiritual glow of the Ganga like never before. A once-in-a-lifetime evening on the sacred river awaits.

WHY A BOAT

Millions of visitors come for Dev Deepawali, tourists and local crowds together. The best view of the festival is only possible from the river, and boats are few against that crowd. Book a place on the boat rather than become part of the crowd.
